**Current Design:**

The System does not collect nor communicate the 'Spousal Support Agreement/Modification Date' in eHIT as the field is not available in The System or in eHIT today.

Spousal Support income or expense is only sent to CalHEERS when the begin date of the detail record is on or before 12/31/2018 per DHCS direction with CA-206157/CIV-103003 as an interim procedure until CalHEERS updated eHIT to capture and use 'Spousal Support Agreement/Modification Date'. When the Spousal Support income or expense is sent to CalHEERS in eHIT, CalHEERS will count as an income or deduction in MAGI Medi-Cal regardless of the date of the Spousal Support Agreement due to divorce or separation.

**Request:**

The System must add a new field 'Spousal Support Agreement/Modification Date' to Income Amount Detail page and Expense Amount Detail page that will be communicated to CalHEERS via eHIT.

Undo the changes implemented to The System with CA-206157/CIV-103003 as the interim procedure since the 'Spousal Support Agreement/Modification Date' will now be communicated to CalHEERS.

**Recommendation:**

1. Update eHIT to send or receive 'Spousal Support Agreement/Modification Date' as element "DateofSeparation" in the Income and Deduction nodes.
2. Add a new field 'Spousal Support Agreement/Modification Date' to Income Amount Detail and Expense Amount Detail pages for Spousal Support Income or Expense Types.
3. Add a validation on MAGI Determination List page while requesting MAGI to require the newly added 'Spousal Support Agreement/Modification Date' if sending Spousal Support income or expense.

Please refer to the design document for details on teh recommendations listed above.
