Purpose (Identify what Counties this CIT affects)

The purpose of this CIT is to inform project members, county staff and stakeholders about a new feature within the CalSAWS.org website. This new feature is a subscription service that allows CalSAWS.org visitors to subscribe to a variety of pages and contents within the website. To learn how to subscribe to content posted on the CalSAWS website, please view the short [REDACTED] or follow the three simple steps to keeping informed about the progress and activities of the CalSAWS project.

Background

As we expand the CalSAWS Website and the content therein a request was made to allow users to be notified when information changes or is updated. The subscription service is the result of that request.

1. Start by going to www.calsaws.org. Click on **Subscribe to receive updates on the latest news.**

2. Make your selection(s) from the options provided; meetings, committees and other updates. There is no limit to the number of items selected.
