CalWORKs (CW) 48-Month and Welfare-to-Work (WTW) 24-Month Time Clocks received the Lack of Supportive Services good cause exemption for March, April, May, and June 2020 benefit months.</p> <p>Background In response to ACWDL (March 27, 2020), the CW 48-Month and WTW 24-Month Time Clocks should not tick and CW recipients should be identified as exempt under the Lack of Supportive Services good cause exemption reason code 407.</p> <p>Additional Information SCRs CA-21490/C-IV-106721 implemented the following changes:</p> <ul style="list-style-type: none"> • Automatically applied the Lack of Supportive Services good cause exemption reason to the applicable cases • Add a journal entry to document the updates made to the cases <p>The Lack of Supportive Services good cause exemption applies to individuals who had time remaining on their CW 48-Month Time Clock as of March 2020 and who did not have an existing clock-stopping exemption or extender.</p>
---	--

	<p>Note: Individuals who have exhausted the 60-Month TANF time limit will be excluded from receiving the exemption.</p> <p>CA-215728/C-IV-10772 will apply the Lack of Supportive Services good cause exemption to individuals who have exhausted their TANF time limit, but who are eligible for CW under a State-funded aid code. The implementation date for these SCRs has not been determined.</p> <p>County Action</p> <p>The Lack of Supportive Services good cause exemption was only applied to cases with existing Time Limit Month records. Individuals may have discontinued for time limit reasons if EDBC was manually processed by the User. (for example, if a Recertification/Redetermination or SAR7 was processed by the User).</p> <p>These cases require review and, if appropriate, manual action to add the Good Cause-Lack of Supportive Services exemption reason to the applicable month(s) and run EDBC for the applicable benefit (s) month to restore aid to the participant. Refer to your county policy for manually updating time limit records.</p> <p>A list of case discontinued due to exhausting CW 48-Month-Time-Clock time limits for the months of March and April 2020 has been generated and can be accessed via the links below:</p> <p>C-IV Case List: [REDACTED]</p> <p>LRS Case List: [REDACTED]</p> <p>Note: if the link doesn't work, please log-in to the CalSAWS Web Portal and follow the path.</p>
