<b>Request:</b>	The SAWS 2 Plus does not have Save and Print Centrally functionality. With the workplace changing, this would assist in getting the document to the customer in a timely manner. Workers are instructed to send the SAWS 2 Plus for customer to review and return within 10 days, however during the current health crisis, workers may not be in the office and unable to send the SAWS 2 Plus locally from their telecommuting work site.
<b>Recommendation:</b>	Add print centrally to SAWS 2 plus template
