In what situations are the CW time limit extenders is being used? How long are extenders approved for?

- CI-IV/CalSAWS Time Clocks Page does not allow the 4P/4R aid codes. Also ticks both TANF and CW and should only tick CW. Reference ACL 19-112. This is not yet implemented
- Counties are seeing time limit months listed with a red exclamation mark to the left. This exclamation mark means there was a discrepancy at the time of conversion to the C-IV rules engine.
