### SCR Content Review

- CA-215670 DDID 2319 – FDS GA GR – Group 1 Forms Design
  - These changes will not impact Los Angeles, Managed GA/GR, or non-Managed GA/GR
  - Reviewed CA-215670 Design Document
  - 2.2.2 Correspondence: Orange and Santa Cruz are listed, will those triggers be for all CalWIN counties, or only those particular counties?
    - Only the listed counties will be impacted
  - 2.2.3 Will the correspondence be sent based on employable or unemployable type?
    - In CalSAWS there is an SSI Advocate page. The status' will be entered by the user which will trigger the appropriate correspondence.
  - 2.3.3 Can you use more than 1 reason code?
    - It is possible to trigger more than one depending on how the SSIApp page is completed.
  - 2.18.2 Contra Costa is not currently offering mail to be picked up at the County Office. They are using General Delivery.
    - This will have to be brought up to another team because this impacts all programs. This also only impacts Santa Barbara as noted in the Design Document.
  - Any other changes requested that are not included in this SCR that is not already in CalWIN will need to be submitted through a Change Request.

- CA-215672: DDID 2320/2314 FDS: GA GR Phase 2 Batch 2 (7 Rules) - Income Rules and Corresponding NOA Reasons Phase 1 batch 2
    - 2.2.2 Living Arrangement drop downs in Shared Housing will not impact any other programs, correct?
      - Correct, it's for GAGR only.
    - 2.2.2 What does "Sharing between two facilities" mean?
      - This would be if an individual lived in two separate locations for the time period. They were derived from the CalWIN drop-down options.
    - 2.7.1.1 When would we have "Family" on GR?
      - It will check for a child in the home and any non-compliances for CalWORKs. It is checking to fail for GA/GR because they would qualify for CalWORKs.
    - 2.7.4 Dino from Fresno: In-Kind Income for Fresno should be "yes". EDX305C001.
      - Was it changed since October 2020? If it was approved as it currently exists as a "No", then it will stay as a no. Then once the CalWIN Go-Live happens it may be revised at that time for changes.
    - We will be voting on this at the 6/30/21 meeting.

### Discussion:

- CA-213410 – Add Validation for Employment Services Activities: Employment Service Activities that need to be prevented from being assigned when there is no worker assigned in the case. You would have to have a worker assigned to the case to assign activities (except "Orientation" and "Job Skill Assessment").
  - Do we want to include GROW and GA/GR Employment Services to this?
    - Contra Costa assigns activities before a worker is assigned, so this would impact their business processes.
    - We can vote on it next week at 6/30/2021 GAGR Meeting.
