Current Design:

CalHEERS grants restricted scope MAGI Medi-Cal for older Californians who are 65 years of age or older if they do not have satisfactory citizenship or immigration status, if they meet all other eligibility criteria.
The System grants restricted scope Non-MAGI Medi-Cal for older Californians who are 65 years of age or older if they do not have satisfactory citizenship or immigration status, if they meet all other eligibility criteria.

The System considers an individual age 65 or above for Non-MAGI Medi-Cal eligibility if the individual's 65th birthday falls on or before the first day of the EDBC benefit month.

The Systems do not have the appropriate verbiage to populate on MAGI and Non-MAGI NOAs once Health4All - Older Californians is effective. The impacted fragments are below:
