**Current Design:** The GA/GR solution in the CalSAWS system is designed to automate the rules for the Los Angeles county's implementation as well as the automation and monitoring of their GROW program. Currently CalWIN manages their General Assistance GR program logic by using a Rule Matrix which can be accessed by the county to allow each county administrator to customize the behavior to their specific county.

**Request:** A new CalWIN GA GR solution will be developed in CalSAWS to automate the rules and administer the program for the 18 CalWIN counties. This solution will provide the framework for the remaining 39 C-IV counties to opt into this solution in the future. This change request will automate the Financial functionality for the new solution

**Recommendation:** Add all the required Data Collection elements to implement the Financial functionalities for the new solution  
A new set of Admin detail pages, Rules and NOA triggers will be added for the below Financial Rules

1. Return to Residence
2. Shared Housing
3. Financial Housing
4. Housing Test
5. Drug and Alcohol
6. Room and Board

Additional EDBC Summary Page Changes if applicable.
