# Imaging Change Readiness Assessment Survey

We're only a few weeks away from the CalSAWS Imaging Solution Implementation on March 14, 2022\*. We want to hear from YOU about your readiness for the change!

## Purpose

The purpose of this survey is to understand how ready LA County staff are for the implementation of the CalSAWS Imaging Solution and to identify opportunities to help staff best prepare for Imaging Go-Live.

## Outcome

The results of this survey will guide the CalSAWS Change Management team on the direction of remaining communications and readiness activities for LA County staff as we approach CalSAWS Imaging Go-Live.

## Details

Survey will be open: **February 7 – 18, 2022**

Average time to Complete: **5 Minutes**
