

MICHELLE BAASS
DIRECTOR

State of California—Health and Human Services Agency
Department of Health Care Services

GAVIN NEWSOM
GOVERNOR

DATE: February 9, 2022

TO: ALL COUNTY WELFARE DIRECTORS Letter No.: 22-03
ALL COUNTY WELFARE ADMINISTRATIVE OFFICERS
ALL COUNTY MEDI-CAL PROGRAM SPECIALISTS/LIAISONS
ALL COUNTY HEALTH EXECUTIVES
ALL COUNTY MENTAL HEALTH DIRECTORS
ALL COUNTY MEDS LIAISONS

SUBJECT: 2022 FEDERAL POVERTY LEVELS

The enclosed charts provide the 2022 poverty level ceilings for Medi-Cal, Medi-Cal Access Program (MCAP), MCAP-Linked Infants, and County Children's Health Initiative Program (C-CHIP). C-CHIP is available in San Francisco, Santa Clara, and San Mateo counties only. These ceilings are derived from the annual Federal Poverty Level (FPL) figures updated annually in the Federal Register by the U.S. Department of Health and Human Services. In this All County Welfare Directors Letter (ACWDL), the Department of Health Care Services (DHCS) is providing 2022 monthly FPL values (enclosure 1) as well as 2022 annual FPL values (enclosure 2), Program Descriptions by FPL (enclosure 3) and the annual mailer sent to beneficiares who are potentially impacted by 2022 FPL figures (enclosure 4).

Counties must review all denials and discontinuances for the following groups back to the date specified for each group and re-evaluate eligibility based on the revised FPL figures (see attached enclosures).

- For applicants and recipients of the Medicare Savings Programs (MSP), Qualified Medicare Beneficiary, Specified Low-Income Medicare Beneficiary, and Qualified Individual who do not receive Title II Retirement Survivors and Disability Insurance (RSDI) income, counties must apply the new FPL figures retroactively to January 1, 2022.
- For MSP applicants or recipients who are receiving Title II RSDI income, the effective date for the new FPLs is March 1, 2022.
- For individuals who are eligible for the Aged, Blind and Disabled (ABD) FPL programs and the 250% Working Disabled Program (WDP), the effective date of the revised FPL figures is April 1, 2022.

- The ABD-FPL Expansion effective December 1, 2020 does not change the effective date of these figures. See [ACWDL 20-24](#).
- For applicants and recipients whose Medi-Cal is determined based upon Modified Adjusted Gross Income (MAGI) methodologies, the new FPL figures are effective January 1, 2022.

Note that per Medi-Cal Eligibility Division Information Letters (MEDILs) [I 20-07](#), [I 20-08](#), [I 20-18](#), [I 20-25](#), [I 20-26](#) and [ACWDL 21-16](#), counties must delay processing of Medi-Cal annual renewals, and defer discontinuances and other negative actions based on the declared State and National Emergency due to the COVID-19 public health emergency (PHE). The county shall continue to process determinations or redeterminations for those individuals who would gain access to health care coverage and resolve barriers related to access to care.

When determining eligibility for retroactive coverage for months in 2021, use the FPL and related charts referenced in [ACWDL 21-01](#).

Upon request from the beneficiary, the beneficiary's parent or legal guardian, or the beneficiary's authorized representative, counties shall retroactively change eligibility for the following circumstances:

- Optional Targeted Low-Income Children's Program (OTLICP) eligible children
 - OTLICP children who are redetermined eligible for free, non-premium OTLICP using the 2022 FPL figures may be eligible for premium reimbursements. Please refer to [ACWDL 14-43](#) for guidance on OTLICP premium reimbursements for premiums paid during any months retroactively redetermined eligible for non-premium OTLICP.
- Advance Premium Tax Credit (APTC) individuals
 - APTC eligible individuals who are redetermined eligible for Medi-Cal using the 2022 FPL figures may be eligible for retroactive Medi-Cal. The county shall only retroactively change eligibility for APTC individuals who did not enroll in a Qualified Health Plan (QHP), did not pay a premium, or who did enroll in a QHP and pay a premium but have Medi-Cal covered medical or dental expenses that were not covered by their QHP during the retroactive period.

- APTC eligible individuals, described above, may be eligible for retroactive Medi-Cal out-of-pocket expense reimbursements (Conlan). Please see MEDIL [I 07-02](#) for additional information about the Conlan process.

Note: The Centers for Medicare and Medicaid Services has decided that there will be no reimbursement for premiums paid to Covered California QHPs. The notice sent by DHCS will state that no Covered California QHP premium reimbursements will be available. Please see [ACWDL 16-08](#) for instructions on determining retroactive Medi-Cal coverage when an individual is transitioning from Covered California coverage.

- Individuals with a Share-of-Cost (SOC)
 - Individuals who are redetermined eligible to zero SOC or lower SOC Medi-Cal, when using the 2022 FPLs, who had out of pocket expenses for covered medical or dental services may be eligible for retroactive Medi-Cal out-of-pocket expense reimbursements (Conlan). Please see [MEDIL I 07-02](#) for additional information about the Conlan process.

Please note: DHCS is coordinating implementation of the 2022 FPLs in the California Healthcare Eligibility Enrollment and Retention System (CalHEERS) and Statewide Automated Welfare System (SAWS). DHCS anticipates the CalHEERS system and SAWS system will be updated with the annual 2022 FPL amounts in March of 2022.

DHCS will send a notice to the beneficiaries potentially impacted by the change to inform them of the FPL increase to allow them an opportunity to request a re-evaluation from the county.

If you have other questions on the annual FPL process, please contact Chris White at (916) 345-8065 or by email at chris.white@dhcs.ca.gov.

GAVIN NEWSOM
GOVERNOR

**You may qualify for no-cost or low-cost Medi-Cal coverage
under the new 2022 income limits**

Dear Covered California Member or Medi-Cal Beneficiary,

Medi-Cal income levels have changed for 2022. You may qualify for no-cost or low-cost Medi-Cal and may be able to switch plans if you currently:

- Have Medi-Cal with a Share of Cost
- Buy medical insurance to end your Medi-Cal Share of Cost
- Pay a premium (monthly cost) for your Medi-Cal or Covered California plan

There may be financial benefits if you switch plans.

If you want to keep your current health coverage

If you want to keep the health coverage you have now, you do not need to do anything.

If you qualify for no-cost Medi-Cal

You may be able to get a refund for some of your past Medi-Cal premiums. If you paid for services when you had a Share of Cost, you may also be able to get back some of what you paid.

To learn more and find out if you qualify:

- Call your local county office. Tell them you got this letter. Ask for an “eligibility redetermination.” To get the phone number for your local county office, call **1-800-541-5555**. You can also find their number on the Department of Health Care Services website at: <http://dhcs.ca.gov/COL>.

If you have a Covered California health plan

You may qualify for no-cost or low-cost Medi-Cal. You might save money if you switch to Medi-Cal. You cannot get a refund for Covered California premiums you paid. But you will save money in the future. With Medi-Cal, you may qualify for refunds for certain out-of-pocket expenses. You might have to change your health plan and/or your doctor if you switch to Medi-Cal.

To learn more and find out if you qualify:

- Call Covered California at **1-855-312-3250** (TTY: 1-888-889-4500). Tell them you got this letter. Ask for an “eligibility redetermination.” The Customer Service Representative should explain how to get a redetermination.
