Assumptions:

- The Total Cost is an estimate and is subject to changes at the time of ordering. The estimate includes shipping/handling and taxes as appropriate. The final cost will be provided to the Consortium at the time of invoicing.
- Taxes for hardware items were estimated at 7.25% and based on the initial shipping location of Yuba City, California.
- The equipment vendor will deliver new equipment directly to a County-provided storage facility located in Yuba City, California.
- The County will be responsible for completing equipment acceptance upon receipt of the new equipment.
- The Consortium will transfer ownership of all equipment purchased under this County Purchase to the County.
- The Consortium will retain ownership of all software licenses purchased under this County Purchase.
- The County will be responsible for storing the equipment on this order until installation. The County-provided storage facility must be capable of storing all equipment on this order at the outset of this project.
- The equipment on this order will not be asset-tagged, nor will the asset information be entered into CA Unicenter. As such, this equipment will not be tracked by the C-IV Project. The County will be responsible for loading the asset information into a County-provided inventory system.
- County staff will be responsible for setup and installation of the equipment and software on this order, including imaging of the workstations, in addition to any post-imaging configuration of the workstation software.
- This County Purchase does not include any equipment for infrastructure upgrades. If the County requires additional network infrastructure equipment to support the addition of the workstations on this order, then a separate County Purchase will be required.
- Hardware Charges, Hardware Support Charges, Software Charges, and Software Support Charges will be invoiced and paid in full up on receipt of equipment acceptance.
 - The County will be responsible for completing equipment acceptance upon receipt of new equipment.
 - These charges will be invoiced to the County for State Fiscal Year ("SFY") 2017/18. Equipment acceptance must be completed by May 31, 2018 in order for the Hardware Charges to be invoiced to the County for SFY 2017/18. Otherwise, these charges will be invoiced to the County for SFY 2018/19.
- The HP workstations on this County Purchase are purchased with 4-year hardware support agreements from the date of purchase (unless noted

otherwise). Once the hardware support agreements have expired, the County will be responsible for funding any hardware refreshes or hardware support renewals through the execution of a separate County Purchase.

- All HP monitors are purchased with 3-year hardware support agreements from the date of purchase (unless noted otherwise). Once the hardware support agreements have expired, the County will be responsible for funding any hardware refreshes through the execution of a separate County Purchase.
- All Lexmark and Ericom software licenses are purchased with 3-year software support agreements from the date of purchase (unless noted otherwise). Once the software support agreements have expired, the County will be responsible for funding any software refreshes or software support renewals through the execution of a separate County Purchase.
- Lexmark software licenses can only be used for the C-IV Imaging Solution, and not any other installation or instance of ImageNow. These licenses can only be used for C-IV-related documents for the C-IV System.
- The County must approve this County Purchase and provide the corresponding approved Advance Planning Document ("APD") by May 30, 2018, otherwise the estimates provided in this County Purchase will not be valid and a new County Purchase will be required.

II. Schedule:

The costs associated with this County Purchase will be incurred in State Fiscal Year ("SFY") 2017/2018.
