The scope of this County Purchase, ST-04-2017, consists of an extension of recurring Production Operations charges for WAN administration, central support of the Host County's Regional Contact Center workers, remote maintenance of Managed workstations, and central support of the County's Managed workstation image commencing June 1, 2018 through the end of the Agreement, October 31, 2019. - The County is responsible for monthly recurring Production Operations Charges for central support of Contact Center workers, remote workstation maintenance, and central support of the County's Managed workstation image.
