**County Purchase SJ-03-2017
San Joaquin County – Ongoing Production Operations for
Regional Contact Center for Medi-Cal Referrals**

I. Overview:

Pursuant to Section 6.11 of the Amended and Restated Revised System Agreement between the California SAWS Consortium IV Joint Powers Authority ("Consortium") and Accenture LLP ("Contractor") and Proquire, LLC, with an effective date of June 29, 2007 (as amended, the "Agreement"), San Joaquin County ("Host County") executed County Purchase SJ-01-2013 in May 2013 to utilize C-IV Contact Center services to accept Medi-Cal referral calls from Covered California for residents of the Host County.

The scope of this County Purchase, SJ-03-2017, consists of an extension of recurring Production Operations charges for WAN administration, central support of the Host County's Regional Contact Center workers, remote maintenance of Managed workstations, and central support of the County's Managed workstation image commencing June 1, 2018 through the end of the Agreement, October 31, 2019. The scope of this County Purchase includes the following:

- Recurring Production Operations Charges
 - WAN Administration
 - Central Support for Contact Center agents/workers
 - Remote Maintenance Fee for Managed Workstations
 - Central Support for Managed workstation image

Assumptions:

- The Total Cost is an estimate and is subject to changes at the time of ordering. The final cost will be provided to the Consortium at the time of invoicing. If the final invoiced costs exceed the total amount of this County Purchase the parties will execute an amendment to this County Purchase.
- The County is responsible for monthly recurring Production Operations Charges for central support of Contact Center workers, remote workstation maintenance, and central support of the County's Managed workstation image. The scope of this County Purchase includes such charges commencing June 1, 2018 through the end of the Agreement, October 31, 2019.
 - Recurring Production Operations Charges for central support of Contact Center workers is based on twenty-five (25) named workers.
 - Recurring Production Operations Charges for remote workstation maintenance and central support of the County's Managed workstation image are based on twenty-five (25) managed workstations in production.
 - The County will be responsible for monthly recurring Production Operations charges for central support for the County's C-IV-Managed workstation image that will be based on the Microsoft Windows 10 operating system.
 - This County Purchase includes on charges for seven (7) Managed workstation images. San Joaquin County executed County Purchase SJ-04-2017 to refresh a portion of the County's Regional Call Center

workstations. Charges for the addition eighteen (18) Managed images are billed under SJ-04-2017.

- The monthly recurring operations charges will apply to the twenty-five (25) Managed workstations once deployed and in use. The Total Cost is based on recurring Production Operations charges commencing in June 1, 2018 and continuing through the end of the Agreement, October 31, 2019.
 - Production Operations charges will be invoiced in monthly arrears to the Consortium, who will then invoice the County
- Monthly recurring Production Operations Charges for WAN Administration related to the County's Regional Contact Center are based on one (1) T-1 PRI line, two (2) DS-3 lines, one (1) DSL backup line, one (1) NAIT T1 backup line, 58,918 toll free minutes, and 2,946 long distance minutes monthly.
 - Contractor will monitor the County's usage of these lines and minutes and discuss the addition of more lines and/or minutes with the County if necessary. Any additional lines and/or minutes would result in additional Production Operations charges; these additional charges would be provided to the County in a separate County Purchase.
- Production Operations charges will be invoiced in monthly arrears to the Consortium, who will then invoice the County.
- The County must approve this County Purchase and provide the corresponding approved Advance Planning Document ("APD") by February 28, 2018. Otherwise, the estimates provided in this County Purchase will not be valid and a new County Purchase will be required.

II. Schedule:

The charges associated with this County Purchase will be incurred during State Fiscal Years ("SFYs") 2018/19 and SFY 2019/20.

III. Total Cost:

The following table outlines the total charges for this County Purchase.
