<b>SOR Requirement Details:</b>	<p>The CONTRACTOR shall migrate form CW 2200 (12/14)-Request for Verification with the following updates:</p> <ol style="list-style-type: none"> <li>1) The following sentence will be added to the form "You have an appointment on at to see an Eligibility Worker at:". The sentence shall display for Los Angeles County. The display of the sentence for the 57 counties shall be configurable</li> <li>2) Migrate the C-IV dynamic functionality of making the checkbox labelled "I have filled out the Release of Information" disappear when dynamically generating the form "Authorization For Release of Information" if MC program is selected</li> <li>3) Ability to edit and append the CW 2200</li> <li>4) Ability to auto populate additional information from the data collection pages onto the form (to be determined in design sessions)</li> </ol>
<b>Contractor Assumptions:</b>	<ul style="list-style-type: none"> <li>• The following requirement states "Ability to auto populate additional information from the data collection pages onto the form will be determined in design sessions)". This requirement references new scope that will be defined during the Design phase. CONTRACTOR has not estimated this future scope. When the future scope is defined, CONTRACTOR will provide an updated estimate.</li> <li>• "Configurable" means that the sentence will display or not based on the county decision. The text of the sentence will not be updated per county choice.</li> <li>• Additional information to be populated will be determined based on a verification by verification analysis with the CONSORTIUM (each verification type will be assessed to see which additional information needs to be pulled).</li> <li>• Data table on CW 2200 will not be modified. Additional information will be appended to the item description and populated in that cell.</li> </ul>
