<input type="checkbox"/> Other – specify			

Justification / Request Summary:

Turn Off the Batch and Online Triggers for ABP 589 Form

Issue:

Currently, the ABP 589 is triggered in Batch or Online with a return due date on employable GR cases. Batch runs to discontinue/deny case in which the ABP 589 is not returned by the due date.

Proposed Recommendation:

Remove the batch and online generation component from the ABP 589 form to prevent EDD fail actions for GR until the main **SCR 207080** goes to production to completely eliminate the EDD registrations.

Priority/Implementation Consideration(s):

High
