Ith being run is on or after the SB 75 Begin Date as defined above. Nines benefit elections for Batch EDBCs to always elect MAGI for a		
This change in CalHEERS is addressed 0071. The authority for this change is 14007.8(a). Recommendations: 1. EDBC Rules Updates a) Update the logic that determaid codes instead of the equical Crosswalk for an individual if i. The person is a code ii. The benefit mond b) Update the logic that determand by update the logic that determand person who is potentially eligible.	nines the MC aid codes for a given budget type to use Full Scope ivalent restricted aid codes based on the Restricted Aid Code the following are true: thild under 19 years of age. the being run is on or after the SB 75 Begin Date as defined above. Thinks benefit elections for Batch EDBCs to always elect MAGI for a gible to both MAGI and non-MAGI benefits.		
This change in CalHEERS is addressed 0071. The authority for this change is 14007.8(a). Recommendations: 1. EDBC Rules Updates a) Update the logic that determaid codes instead of the equical Crosswalk for an individual if i. The person is a code ii. The benefit mond b) Update the logic that determand by Update the logic that determand person who is potentially eligible.	nines the MC aid codes for a given budget type to use Full Scope ivalent restricted aid codes based on the Restricted Aid Code it the following are true: Child under 19 years of age. Ith being run is on or after the SB 75 Begin Date as defined above. Nines benefit elections for Batch EDBCs to always elect MAGI for a		

Design Difference(s): None. Both systems have the same logic to grant full scope MC to children under the age of 19, regardless of immigration status, if they meet all other eligibility criteria, effective 05/01/2016

LRS/C-IV Migration Design Difference Committee Review Form

Project Recommendation (if applicable):		
Committee Review and Outcome		
Design Difference Outcome: (Select one of the check boxes below)		
☐ SCR Recommendation(s) (Select one or both check boxes below)		
☐ Modify existing LRS Functionality ☐ Migrate C-IV Functionality		
(Document high-level SCR recommendations below)		
☐ No Change Required (Select one or both check boxes below)		
☐ Retain LRS Functionality As-Is ☐ Do Not Migrate C-IV Functionality		
☐ Escalation Required (Provide brief description below and complete Escalation Form)		
(Fronde Brief description below and complete Escalation Form)		
Voting Breakdown:		
R1: ☐ Agree ☐ Disagree ☐ Not Present R2: ☐ Agree ☐ Disagree ☐ Not Present		
R3: ☐ Agree ☐ Disagree ☐ Not Present R4: ☐ Agree ☐ Disagree ☐ Not Present		
R5: ☐ Agree ☐ Disagree ☐ Not Present R6: ☐ Agree ☐ Disagree ☐ Not Present		
R7: □ Agree □ Disagree □ Not Present		
R8A: □ Agree □ Disagree □ Not Present R8B: □ Agree □ Disagree □ Not Present		
R8C: □ Agree □ Disagree □ Not Present R8D: □ Agree □ Disagree □ Not Present		
Design Difference Priority: ☐ High ☐ Medium ☐ Low		
Priority Reason:
