Fresno asked about CalWORKs households will they be granted CalWORKs and MAGI aid code? CalSAWS indicated CalWORKs aided individuals would not have a separate Medi-Cal block as Medi-Cal would be granted under CalWORKs block.

Tulare asked about the mixed households how will they receive Medi-Cal? CalSAWS indicated those individuals would have a separate Medi-Cal block.

A county had a concern with 2.2 Description of Change #2 concern is it does not mention age. CalSAWS will take this back for clarification.

Sacramento asked with step one would the mega mandatory only be determined if a full Medi-Cal determination is requested? CalSAWS indicated yes only when full Medi-Cal determination is requested.

SCR Prioritization

- Regional Top 10 priority items
- List due **COB Monday, 12/16/2019**
- Existing list

ACWDL and MEDIL changes are prioritized, counties do not need to prioritize.

The list of 17 items are a list of the top ten. Fresno asked about Deemed infant – CalSAWS reported will follow.

Consider the pending but not the approved on both the C-IV and LRS list. Don't consider the policy changes. Those can be identified outside of the 10 priorities.

LRS list does not have a cross reference to identify CalHEERS changes.

A county asked how often does the prioritization occur? Elisa indicated they are done quarterly but since the committee meets often the list can be added to the agenda.

Feedback from Regions due by January 6, 2019
