Project Phase (SCR):	**Migration**	Funding Source ID:			
Other Agency Cross Reference:					

Current Design:

Request:
Incorporate properties, configuration and values of CalSAWS application.

Recommendation:

1. The architecture properties will be configured for different architecture components to support 58 counties such as Imaging, Lobby and web service URLs.
2. Properties framework will be updated to encrypt property values.
3. Properties framework will be updated to support multiple values for a single key based on County Code.

Outreach Description:

Operational Impact:
