Current Design:	Under the Foster Care Document Category, the Documents Types available to select are very limited, making it necessary for users to select a "broader" document type which makes it difficult when searching for a document at a later date.
Request:	Add the following Document Types to the drop down list for Foster Care:

    Case Plan
    Redetermination
    158a (and if not that then Placement)
    SLIP Placement
    Home Approval
    SOC 161
    SOC 162
    TLIP
