**Current Design:** There is no option in the stamp feature in Perceptive Content for "Received".

**Request:** Would like to add "Received" as an option to select in the stamp feature in Perceptive Content.

**Recommendation:** Make a copy of the 'Approved' stamp within Perceptive Content Management Console then make the following modifications:
1) When prompted, name the copy 'Received'
2) Under Content, change text to 'RECEIVED %m/%d/%y'
3) Under Security, Add %_ImageNowSupCounty & %_ImageNowView where % = all counties
4) For all SupCounty grant Allow All & for all View grant Create, Hide, & View
