Issue:  
 The changes to the BTSCA batch job that were implemented in SCR CA-50015 caused 1224 cases to be skipped in the BTSCA annual run. The placements that were skipped due to the incorrect logic were primarily FFA placements with the new CCR rates.

### Recommendation:

- Proposed Recommendation:
1. Update FC/KG Back To School Clothing Allowance (BTSCA) logic per LA County rules
  2. Schedule annual job to run yearly the 3rd week of August
  3. Generate Count/Estimate report which includes children age 4-5 a month prior July 15th
  4. Generate final report of which cases were paid and which were exceptioned out with exception reason

Priority/Implementation Consideration(s):  
 The skipped BTSCA payments were raised to the Director of DCFS. The update to the logic needs to be addressed before the 2020 BTSCA run (08/2020)

The logic submitted is per LA County DCFS rules. As WIC Sections 11461(f)(1) – Defines clothing allowance. (f)(1) As used in this section, “clothing allowance” means the amount paid by a county, at the county's option, in addition to the basic rate for the provision of additional clothing for a child, including, but not limited to, an initial supply of clothing and school or other uniforms. The frequency and level of funding shall be based on the needs of the child, as determined by the county.  
 (2) The state shall no longer participate in any clothing allowance in addition to the basic rate, commencing with the 2011-12 fiscal year.
