Description:	<p><b>Purpose</b> The purpose of this CIT is to notify LRS and C-IV counties that the lists identified in CIV-7564/CA-202778 are posted and no county action is required at this time.</p> <p><b>Background</b> SCRs CIV-7564/CA-202778 updated the Medi-Cal Hierarchy in the C-IV/LRS systems in Release 20.05. As part of that update, the following outdated Requested Medi-Cal Types were removed:</p> <ul style="list-style-type: none"> <li>• No Potential MAGI</li> <li>• 1931 for Adult Minor Parent</li> <li>• Medi-Cal – Property Disregard</li> <li>• Medi-Cal – No Property Information</li> <li>• Express Lane Adults 19-64</li> <li>• Express Lane Parents 19-64</li> <li>• Express Lane Under 19</li> </ul> <p>After implementation of these SCRs, lists were generated for all the existing records with removed Requested MC Types. Workers were to utilize the lists to manually</p>
--------------	--

	<p>update the removed Requested Medi-Cal Types to a Requested Medi-Cal Type of "Medi-Cal".</p> <p><b>Additional Information</b></p> <p>In order to reduce the workload impact to counties, SCRs CIV-107309/CA-216507 - Update Outdated Requested Medi-Cal Types to "Medi-Cal" were created to provide a one-time batch to update the outdated Requested Medi-Cal Types to a Requested Medi-Cal Type of "Medi-Cal". These SCRs are currently scheduled for Release 20.11, but that date is subject to change.</p> <p>Note: Having an outdated Requested Medi-Cal Type does not impact the case. However, the correct Requested Medi-Cal Type of "Medi-Cal" will not display on the Case Summary page until updated.</p> <p><b>County Action</b></p> <p>No county action required at this time.</p> <p>The lists per SCRs CIV-7564/CA-202778 are posted on the CalSAWS Web Portal at the following location:</p> <p><b>C-IV Counties:</b></p> <p>[REDACTED]</p> <p><b>LA County:</b></p> <p>[REDACTED]</p> <p>Although county action is not required at this time, as workers are actioning cases that have an outdated Requested Medi-Cal Type, they may take manual action to update the Requested Medi-Cal Type to "Medi-Cal". After SCRs CIV-107309/CA-216507 are deployed, if any cases are skipped by batch and were not able to have the Requested Medi-Cal Type updated to "Medi-Cal", new lists will be provided to counties at that time.</p>
