

# OCAT Connectivity Preparation

OCAT and all associated OCAT sites are accessible through the Public Internet. Users will be able to access the OCAT URL's from any computer, as long as the User has access to the internet. If your county prevents access to web pages on county machines, please use the following information to ensure that your Users can access these URLs at Go Live.

► **Training begins on October 5th, 2020.**

Access to the OCAT Training Environment will be needed by that date. Prior to October 5th, Counties should ensure all country-specific internet restrictions are addressed by whitelisting the URL, if necessary.

► **Go Live is November 2nd, 2020.**

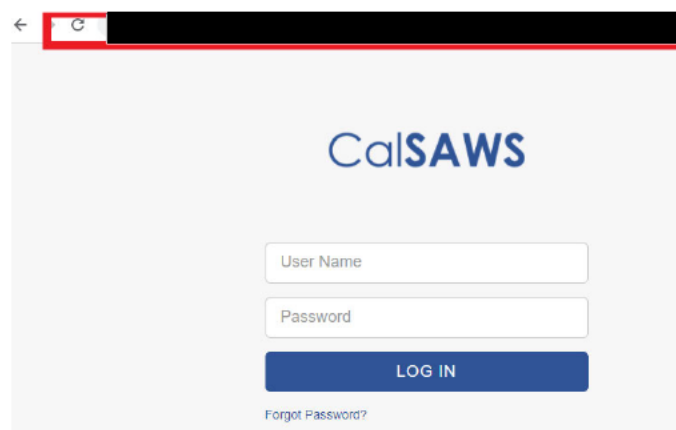

Access to OCAT Production Environment URL will be needed at that time. Prior to November 2nd, counties should ensure all country-specific internet restrictions are addressed by whitelisting the URL, if necessary.

Please note, the OCAT team will request responses to a Training and Go-Live Checklist that includes testing and confirming that the URLs listed on the following page are accessible on their county computers, and no further permissions are needed.

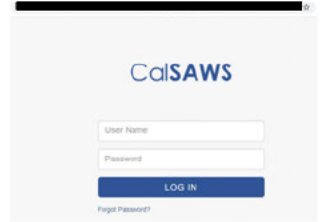

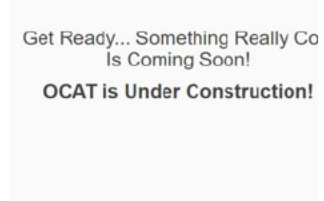

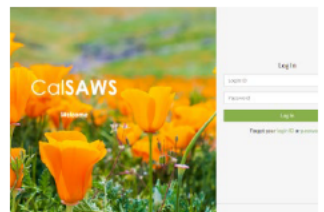

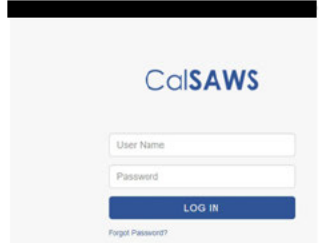

**IMPORTANT NOTE! For Training and Go-Live – Bookmark the following URLs:**

- **Training Environment:** [training.ocat.calsaws.net](https://training.ocat.calsaws.net)
- **Production Environment:** [ocat.calsaws.net](https://ocat.calsaws.net)

Users must bookmark the exact link listed above and in Exhibit 1 to access OCAT. Do NOT Bookmark the Log In Page of OCAT after navigating to the URL, as shown in the screenshot below.
