Request:	LRS does not have the majority of the CWS aid types for Medi-Cal available for selection on the Medi-Cal Person Detail page "Requested Medi-Cal Type" dropdown, when adding the Medi-Cal block on an Infant Supplement child. The inability to select the correct aid code additionally results in inaccurate claiming reports. Policy requires the Medi-Cal block have the same aid code as the corresponding cash benefit for the past 30 years (since 1989).
Recommendation:	<p>Update the Medi-Cal Person Detail page "Requested Medi-Cal Type" dropdown list to include the 15 missing CSW and 2 "shared" aid codes (not included in SCR CA-56801), and update Aid Code 45 description.</p> <p>Add Foster Care Aid Codes (5):</p> <ul style="list-style-type: none"> 40 AFDC – FC – Non Federal 42 AFDC – FC – Federal 43 AFDC – FC – NMD State Cash / FFP Medi-Cal 49 AFDC – FC – NMD Title IV-E Federal/FFP Medi-Cal 5K EA Foster Care – CWS – State Only <p>Update description of Foster Aid Code 45 (1):</p> <ul style="list-style-type: none"> 45 Foster Care – Public Funds More Than AFDC-FC <p>Add ARC Aid Codes (5):</p> <ul style="list-style-type: none"> 2P ARC Only 2R ARC Only for Non-minor Dependents 2S ARC Funding Option and Federal CalWORKS 2T ARC Funding Option and State CalWORKS 2U ARC and State CalWORKS for Non-minor Dependents <p>Add KinGAP Aid Codes (5):</p> <ul style="list-style-type: none"> 4F KinGAP Cash Assistance – FFP for cash payment 4G KinGAP Cash Assistance – State-only for cash payment 4S KinGAP NMD Title IV-E Federal/FFP Medi-Cal 4T KinGAP – Federal IV-E 4W KinGAP NMD State Cash/FFP Medi-Cal, and <p>Add shared Medi-Cal only Aid Codes (2):</p> <ul style="list-style-type: none"> 38 Edwards v Kizer 7J CEC

Consideration(s):**

NOTE: Aid Codes 38 and 7J (shared with DPSS) were proposed for inclusion but met with rejection for SCR [CA-56801](#).

This is a POLICY request to bring the Medi-Cal CWP aid codes up to date with existing State policy per:

- ACL 90-56 (June 15, 1990) Cash-Based Medi-Cal for Children of Minor Parents in Foster Care (SB 510 – Infant Supplement) states..."Using the minor parent's aid code and case number...";
- ACL 11-15 (January 31, 2011) covers KinGAP;
- ACL 17-112 includes ARC effective 7/1/2017; and the
- MEDS NETWORK USER MANUAL, pages 1 and 2 is a comprehensive list of all aid codes including the 15 missing CWS Infant Supplement cash-based eligible aid codes and the 2 missing DPSS shared aid codes requested.

NOTE: DCFS requested addition of Infant Supplement Medi-Cal Only aid codes with the SCR to Update Requested Medi-Cal Types for Child Welfare Programs [\[CA-56801\]](#), but they were denied inclusion in that request.

[2] FISCAL CLAIMING: This has a significant impact on Fiscal Claiming, as the children covered by Infant Supplement Medi-Cal have had the wrong aid codes on the claims since "Go Live" for Los Angeles County DCFS in October 2016.
