Description: (Including any step-by-step instructions)	<p>Purpose The purpose of this CIT is to inform the C-IV and LRS counties of the suspension of the Time Limit Supportive Services Batch created with SCR CA-210580/CIV-661.</p> <p>Background SCR CA-210580/CIV-661 was approved by the Time Limits Committee and implemented with the 20.11 release. Due to a county request for policy clarification from CDSS and the subsequent response from the state a decision to suspend the batch job was reached via the consortium escalation process.</p> <p>Additional Information SCR CA-221423/CIV-108216 in release 20.11 stops the Time Limit Supportive Services Batch until modifications are made based on policy direction, thus not impacting any time on aid records.</p> <p>County Action Continue your county business process for tracking time limit months for individuals receiving post-aid/job retention services.</p>
