Below is a sample of the CalSAWS welcome email that staff may receive. The email contains your CalSAWS user ID and password reset link:

**Additional Information**

It is important to note that user accounts for CalSAWS Production and CalSAWS Non-Production are individual accounts and could have separate passwords.

Recent examples of efforts that were linked to these emails being sent out to county staff are the OCAT UAT and the Service Now UAT activities.

If staff are unclear why they have received an email such as those described above, they should contact their County's PPOC(s).
