Description: (Including any step-by-step instructions)	Purpose The purpose of the CIT is to provide Los Angeles and CIV counties with directions regarding FED-ED and MEUC, and the treatment of PUC payments in the CW, RCA/ECA, TCVAP, CF, CAPI, LA GR and MC programs.  Background The Executive Order N-59-20 signed by Governor Newsom on May 1, 2020, orders the exemption of Coronavirus Aid, Relief, and Economic Security (CARES) Act PUC payments did not exempt from consideration as income in determining eligibility for CalWORKs/RCA/ECA/TCVAP applicants; therefore, PUC must be treated in the same manner as regular state unemployment insurance benefits at application.		

Per <u>ACWDL January 19 2021</u> PUC payments must be excluded from consideration as income or resource for CF from January 1, 2021 through October 31, 2021.

The guidance in the <u>ACL 21-22</u> is effective March 1, 2021 and supersedes the guidance issued via All County Welfare Directors Letter <u>ACWDL May 5 2020</u>. <u>PUC is exempt for CW both applicants and recipients</u>.

<u>ACWDL 21-03</u>, the treatment of Pandemic Unemployment payments for Medi-Cal has not changed. Although the treatment of income individuals receive from the CARES Act provisions remains the same, changes were made to certain parts of the program and income provisions.
