Description: (Including any step-by-step instructions)	Purpose The purpose of this CIT is to provide the details associated with the adjustment to the Counties' CalWORKs Administrative Advance for the SFY 2020/21 Second Quarter County Share of Costs for the CalACES, CalSAWS, and CalWIN systems. Background CalSAWS member Counties are required to pay a County Share of Costs of the CalACES, CalSAWS, and CalWIN systems. The County Share of Cost is calculated based on Persons Count. It was agreed that the method of payment would be in the form of an adjustment to each County's CalWORKs Administrative Advance. The Second Quarter of SFY 2020/21 will be applied to the April 2020 mid-month advance, reflecting each County's Share of Costs. The adjustment should be noted on each County's AA190.
