Important Points

SCR CA-49398 Customer Reporting List
SCR CA-48348 Extension of Time-Period for Dropping Worker on Discontinued Eligibility Programs

- Desing walked through SCR CA-49398. Migrating counties (C-IV and CalWIN counties) will not be using this page for WTW. They will use the Employment Services Reporting List page that was migrated and currently in production in CalSAWS (CA- 201968).
- This SCR will be reviewed for approval by the Usability Committee and is informational to the WTW Committee.
- Design walked through SCR CA-48348 and confirmed there will be no change to current LRS and C-IV logic for worker assignment rules. There will be an enhancement to allow users to be able to filter by program status. This SCR will be submitted to the CW/CF for Committee approval and is informational to the WTW Committee.

CalSAWS OCAT Coordinators List

- Discussed CRFI 21-016 was distributed on March 5, 2021 to obtain up to 2 county contacts for the initial OCAT Coordinator List. A CIT will be created once the listing is finalized to provide instructions on how to maintain the listing. The latest listing will be posted to the Web Portal.
- A dedicated OCAT Coordinator email was created to email updates. Counties can send updates to communication@calsaws.org with a copy to county RMs.
- List will not be sent out periodically, but the Committee can request to have the list sent out when there have been several updates made to the list.
- PPOCs can access the Web Portal for you if you need the OCAT Coordinator listing.
