**Current Design:** SCR CA-215097 replaced the PA 2494 (IEVS Applicant/Participant Contact Letter) with State form CW 63 (REQUEST FOR INCOME AND/OR RESOURCE VERIFICATION), which can be generated by a user from a button on the IEVS Applicant Detail page. The PA 2494 was a tracked form on the Document Detail page, and there was downstream batch EDBC sweep logic and EDBC logic that would close a program (CW, CF, MC) if the PA 2494 form was not updated to reflect a Received Date. The CW 63 State form is not a tracked form in CalSAWS.

**Request:** Update CalSAWS to enhance tracking of information requested on the CW 63 form. Potential impacts to Online, Batch/Interfaces, CC, and EDBC logic.

**Recommendation:**
