Description: (Including any step-by-step instructions)	<p><b>Purpose</b></p> <p>The purpose of this CIT is to provide the 39 C-IV counties with the following Case Review Report and Guide:</p> <ul style="list-style-type: none"> <li>Case Review Report and Guide #1: Update the Location of Conviction field on the Eligibility Non-Compliance Detail Page</li> </ul> <p><b>Impacted Counties</b></p> <p>Case Review Report &amp; Guide #1:</p> <ul style="list-style-type: none"> <li>Riverside, San Bernardino, Sutter &amp; Tuolumne Counties</li> </ul> <p><b>Note:</b> Although only a subset of counties is identified as 'Impacted Counties', the Project is taking the proactive approach of providing this CIT to LA County and the 39 C-IV counties to ensure that non-impacted counties have the same information to avoid cleanup efforts in these specific areas between now and CalSAWS Go-Live.</p>
---	--

	<p><b>Background</b></p> <p>A few pre-conversion data cleansing items have been identified during the development of the C-IV to CalSAWS conversion process. Case Review Guides and Reports have been developed to assist counties. These Case Review Guides and Reports provide counties with the opportunity to update C-IV data as part of the cleanup process to provide optimal conversion outcomes.</p> <p><b>Additional Information</b></p> <p>Attached is the UPDATED Case Review Report and Guide #1: Update the Location of Conviction field on the Eligibility Non-Compliance Detail Page. This is one of three guides in a series of identified design differences that require county action to mitigate any adverse impact to county case records during data conversion.</p> <p>New report extracts will be distributed monthly, accompanied by a CIT. These report extracts will be posted to the respective County's folder in the CalSAWS Web Portal.</p> <p>The CalSAWS Implementation Advance Planning Document (IAPD) includes funding for C-IV county staff at the local level to conduct manual conversion activities which includes data cleansing and data clean-up (pre and post go-live), per [REDACTED]</p> <p><b>County Action</b></p> <p>Examine the Case Review Guide and its associated Reports to review the impacted cases (records that could not be converted due to design differences between C-IV and CalSAWS). For these records to be converted, complete the manual updates by following the instructions provided in the Case Review Guides.</p> <p>[REDACTED]</p> <p>If you have any questions, please contact the Primary Project Contact listed below.</p>
