Countdown To CalSAWS Go-Live

Are you ready?

Here's the ultimate pre-launch list of activities prior to CalSAWS lift off on **September 27, 2021**

July T-2 Months

August T-1 Month

September T-3, 2, 1 Week(s)

Jun 15 – Aug 31
User Acceptance Test (UAT)
County testers create and validate test scenarios to confirm CalSAWS functionality

Jul 5 – Aug 27
Early Training
Phase when select county staff have an opportunity to take the Migration WBTs in advance of General Training.

August 2 and 16
Additional LMS Access
Select staff complete self-paced C-IV Migration Training ahead of the General Training period

August 2 – 13
County Participates in Mock Conversion
Select County Staff in a test environment confirm C-IV data is converted as expected into CalSAWS

Aug 30 – Sept 23
County Prep Phase
Counties will confirm that user profiles are configured accurately and test their access to CalSAWS. All County staff will need to log in.

August 11 – 26
Imaging Train the SME (ITTSME)
Single-day, Imaging-specific virtual training sessions for C-IV County-identified Imaging Subject Matter Experts (SMEs)

Aug 30 – Sept 24
General Training
County staff conduct their self-paced C-IV Migration Training through the Learning Management System (LMS).

Aug 31 – Sept 13
T-3 Week Change Readiness Assessment Survey
This final survey will measure C-IV User's readiness status and acceptance of the C-IV Migration to CalSAWS.

September 27
Go-Live!
You've prepared and are ready! It's time for C-IV Counties to take-off to CalSAWS!

CalSAWS
