Subject: Termination of Central Print Services

Re: Amended, Restated and Revised LRS Agreement, by and between Accenture LLP (“Accenture”) and the California Statewide Automated Welfare System (“Consortium”), dated as of August 16, 2019 (“LRS Agreement”).

Dear Mr. Richman,

This letter is to inform Accenture that Consortium has successfully completed the procurement of CalSAWS Statewide print services and has awarded the contract to Gainwell. In accordance with Paragraph 5.3 and Paragraph 37 of the LRS Agreement, the California Statewide Automated Welfare System (CalSAWS), Consortium will be executing a partial termination of the LRS Agreement by removing the Central Print and Mail Fulfillment services. The partial termination is currently scheduled to take effect with the last print target during the weekend of August 28, 2021 and completing the necessary decommissioning activities in September 2021. There may be need to delay these dates based on any number of contingencies and should that need arise, the Consortium will negotiate with Accenture the terms of extending Central Print and Mail Fulfillment services.

Upon receipt of this partial termination notice, Consortium would like to move forward with planning transition activities, conduct knowledge transfer of the current print and mailfulllment processes, and document those activities and timeline in Deliverable 14.2 LRS Transition Plan. In addition, we will work together to amend the contract and remove print services from the LRS Agreement and the payment schedule in a future amendment.

Should you have any further questions or concerns, please contact me at (916) 851-3201 or [BouleJ@CalSAWS.org](mailto:BouleJ@CalSAWS.org).

Sincerely,

John Boule, Executive Director  
CalSAWS Consortium
