Description: (Including any step-by-step instructions)	<p>Purpose (Identify what Counties this CIT affects)</p> <p>The purpose of this CIT is to notify the counties of the status of the August 2021 New Hire Registry (NHR) Files. Counties were previously informed that due to an issue the August 2021 files were received from CDSS and loaded into CalSAWS but were unable to be properly worked. This issue only impacted the 39 Migration counties. This did not impact CalWIN counties or Los Angeles County.</p> <p>Background</p> <p>As of 10/25/2021 the August 2021 NHR Files have been processed through batch and should be available to for counties to properly review and process.</p> <p>Additional Information</p> <p>If counties had already processed any of the August 2021 NHR files prior to 10/25/2021, these do not need to be re-processed and have been skipped as part of the batch run process. No additional action is needed.</p> <p>County Action</p> <p>Counties can resume standard NHR Process for the August 2021 files.</p>
