Programs Impacted:	CalFresh
Request:	<p>CW 8 (Statement of Facts for An Additional) or CW 8A (Statement of Facts to add Child Under Age 16) auto-generates with a barcode when EDBC is authorized when adding a person to CF. The action to add the person has already been completed, there is not reason to auto-generate the forms.</p> <p>Since the form generates a barcode this can possibly have a negative impact in the future. The CW 8/8A are not required forms to add a person for the CF program, it is a recommended form.</p>
Recommendation:	<p>Remove the CW 8/8A from auto generating for the CalFresh program once EDBC is authorized to add person.</p> <p>If the CW8/8A is needed, it should be manually generated NOT auto generating.</p>
Priority/Implementation Consideration(s):	Workload impact to staff as they need to cancel the CW 8/8A, as it is no longer needed person has already been added to CF. It is also an impact to customers as they might complete a form that is not required.
Area(s) Impacted:	Client Correspondence, Eligibility
Committee:	CalWORKs/CalFresh, Correspondence
