Description: (Including any step-by-step instructions)	<p>Purpose The purpose of this CIT is to notify CalSAWS counties that the central print mailing of the CalWORKs Exemption Determination (CW 2186B) form has been suppressed.</p> <p>Background CalWORKs (CW) recipients must receive a CW 2186B when a CW or Welfare-to-Work (WTW) exemption is approved or denied. In CalSAWS, when a user updates a WTW program status to exempt for an individual, the CW 2186B is automatically generated and mailed via central print.</p> <p>During the automated form generation process, the CW 2186B was not prepopulating the applicable fields on the form that indicate an exemption approval or denial.</p> <p>Additional Information: CA-240203 in Release 22.01 suppressed the automated generation and central print mailing of the CW 2186B form.</p> <p>SCR CA-235922 currently slated for Release 23.01 will implement a change to prepopulate the applicable fields on the CW 2186B when an individual's WTW status is updated to Exempt.</p>
