

Imaging Change Readiness Assessment Survey #5

We're now 3 weeks post CalSAWS Imaging Implementation, and we want to hear about your experience migrating to and interacting with the CalSAWS Imaging Solution.

Purpose

The purpose of this survey is to understand how LA County CalSAWS users are adapting to the implementation of the new CalSAWS Imaging Solution.

Outcome

The results of this survey will inform the CalSAWS Imaging Change Management team about Users' experience interacting with the CalSAWS Imaging System.

Details

Survey will be open:

May 16 – May 27

Average time to Complete:

5 Minutes

Results are:

Anonymous!
