## Enhancing Your Imaging Experience

From uploading simple images and documents to performing complex routing to support business processes, imaging is a core part of the county and consumer experience. In this session, you will learn about:

- Imaging Performance
- Lessons learned (security rights, document mapping, scanners, and more)
- What the CalWIN Counties can expect as they migrate to Hyland
- Upcoming Imaging Enhancements

Panel discussion will include Best Practices of the current CalSAWS counties, including how issues were reduced in LA County.

*Presenters: Arnold Malvick and Chase Moore*

*Panel Members: Sal Caceres, Juan Herrera, Laura Alba, Danielle Benoit, John Dray, Toby Barnes, Jeff Harrell, and Chase Moore*

## Refactoring CalSAWS Reports and Dashboards

Over the past couple of years, CalSAWS Reports and Dashboards have evolved. Legacy Reports and Dashboards have been Re-Platformed to the new CalSAWS reporting platform, Qlik and C-IV has migrated to CalSAWS. With these changes, our support for the C-IV counties, and as we prepare for the CalWIN counties your CalSAWS Reports team has prepared an agenda focused on the following discussion topics:

- Current State of CalSAWS Reports Remediation and Defect Resolution
- CalSAWS State and Fiscal Bi-Weekly Meetings
- CalSAWS Reports – State and Fiscal Reports Enhanced Weekly Communication
- CalWIN County Network Connectivity
- Ad Hoc Reports Support for the Counties
- County Ad hoc Report Refactoring
- CalWIN County Support

*Presenters and Panel Members: Claudia Pinto, David Bruhn, Keith Salas, Ravneet Bhatia, Sauvik Basu, and Uzair Naveed*

## Getting Hands-on with System, Processes, and Data

During summer 2022 and just ahead of each CalWIN Wave cutover, the CalWIN counties will get hands-on time with CalSAWS, BenefitsCal, and Hyland (imaging). During this session, you will learn about and discuss:

- **User Acceptance Testing (UAT)** for all 18 CalWIN counties status, including the key themes and upcoming activities.
- **Process Simulation**, including what it is, when it is scheduled for each wave, how it works, who is involved, and what to expect.
- **County Data Validation**, including what it is, when it is scheduled for each wave, how it works, who is involved, and what to expect.

Panel discussion will focus on addressing common questions and concerns regarding the three complementary efforts, how counties can best prepare and participate, and best practices from former C-IV Counties.

*Presenters: Rachel Hernandez, Duncan Gilliam, Kristin Pepper*

*Panel Members: Peggy Macias, Surranjan Kumar, Rachel Hernandez, Duncan Gilliam, Kristin Pepper, Roger Perez, and Anthony Perez*
