22.09.29	29-Sep-22	SCR	CA-241253	BenefitsCal		With regards to the Self-Service Portal, the Community Based Organization (CBO) Requests were generating a task. However, the task that was generated could only be assignable to a single worker ID or bank and was not available for the 'Get Next' functionality.	With regards to the Self-Service Portal, the Community Based Organization (CBO) Request Tasks are now available to set up in order to be used with the 'Get Next' functionality.	
22.09.29	29-Sep-22	SCR	CA-249557	Forms	Medi-Cal/MSP/CMSP	The MAGI RE Packet, Non-MAGI RE packet, and Mixed MC RE Packet were populating the Household member's address in the 'Household Members' section instead of the Primary Applicant's address. CA-249296 stopped the population of the Household Member's address.	The MAGI RE Packet, Non-MAGI RE packet, and Mixed MC RE Packet are now populating the Primary Applicant's address in the 'Household Members' section.	PRB0044185
22.09.29	29-Sep-22	Defect	CA-250047	BenefitsCal		With regards to the query for "linkbySSN" for the Case Link Application Programming Interface (API), the database connections were slow for the case link via the SSN queries.	The other 'link by SSN' queries are now updated to assist with the faster connection to the database.	
22.09.29	29-Sep-22	Defect	CA-244851	Reports		With regards to the CF 296 report, the count was not reconciling between line 4, line 5, and line 6.	With regards to the CF 296 report, the lines are now reconciling as a result of the code changes as long as data source is valid. Report regeneration will be done for past months and be available 10/06.	PRB0040849
22.09.29	29-Sep-22	Defect	CA-250344	Reports		The detail sheet within the ABCD 350 Report had a column labeled "Other Language" which did not capture when it is a drop down language.	The detail sheet within the ABCD 350 Report now captures "Other Language" for both worker input and the drop down languages. The 2022 report will be rerun.	
22.09.29	29-Sep-22	Defect	CA-250155	Reports		The "Age" column within the Integrated Payroll Foster Care Issuance Detail Claiming Report was being updated on reruns.	The "Age" column within the Integrated Payroll Foster Care Issuance Detail Claiming Report is no longer being updated after reruns and is being set to the age at the end of the report month.	
22.09.29	29-Sep-22	Defect	CA-249477	Reports		The Integrated Payroll Benefit Issuance Detail Claiming Report was missing the following columns in the template: Detail tab - "Other Amount", Total by Type - Person Count Other, Other Amount, and Recoveries of Aid - Other Amount.	The following columns have been added in the report: Detail tab - Person Count "Other", "Other Amount", Total by Type - Person Count "Other", "Other Amount", and Recoveries of Aid - "Other Amount".	PRB0044164
22.09.29	29-Sep-22	Defect	CA-249214	Reports		With regards to the CW 115 report, the 'Line 3' details sheet section name in the headers did not match the summary's 'Line 3' description.	With regards to the CW 115 report, the 'Line 3' details sheet section name in the headers now matches the summary's or 'Line 3' description.	
22.09.29	29-Sep-22	Defect	CA-248430	Reports		The EBT Pandemic Emergency Assistance Funds (PEAF) issuances that were issued for 7/16 with the available date of 7/17/2022 had not been displaying on the Auxiliary Issuance Daily Report. (The monthly report has not run yet to check). The Warrant issuances with the	The 'Type' of issuance is now being fetched from the 'issuance detail' table instead of the 'Aux' table.	PRB0044027
