CalSAWS | Enhancement Request (CER)

Justification / Request Summary:

Please update the rate "ISCO ISFC County" rate on the CalSAWS rate table to pay the same as "ISFC-Family Only" rate of \$2,763.00.

Currently CalSAWS would pay the caretaker the entire ISFC amount of \$6,388.00 when the portion of the the ISCO ISFC County rate that is paid directly to the caretaker should only be \$2,763.00. The amount should also be updated each with each CNI increase.

ACL 17-11 page 8

2) County-based ISFC: Allows for the use of the payment to any RF based on the intensive needs of the child if they meet a level of specified training and competencies matched to the child's needs at this level and is based on the LOC Protocol. Under this option, the county is able to claim the ISFC rate which is typically paid to the FFA. The County receives the \$6,003 in Table E and pays the RF the \$2,321 portion. Under this option, the county is expected to provide the oversight and services otherwise provided by FFAs;
