

**CALWIN IMPLEMENTATION SERVICES AGREEMENT
BY AND BETWEEN
CALSAWS CONSORTIUM
AND
CONTRACTOR**

HM

Amendment Number One

CALWIN IMPLEMENTATION SERVICES AGREEMENT ("AGREEMENT") ENTERED INTO BY AND BETWEEN THE CALSAWS CONSORTIUM ("CONSORTIUM"), A CALIFORNIA JOINT POWERS AUTHORITY, AND DELOITTE CONSULTING LLP ("CONTRACTOR") FOR PROVISION OF THE CALIFORNIA STATEWIDE AUTOMATED WELFARE SYSTEM ("CalSAWS").

This Amendment Number One is effective as of May 6, 2021 (the "Effective Date") and amends the Agreement.

RECITALS

WHEREAS, on March 16, 2021 the Consortium entered into the Privacy and Security Agreement Number 20-6061 ("CDSS PSA") with the California Department of Social Services ("CDSS"), attached hereto as *Exhibit 1*, which is incorporated herein by reference; and

WHEREAS, the purpose of the CDSS PSA is to ensure the privacy and security of Personally Identifiable Information ("PII") received by the Consortium from CDSS while maintaining and operating the case management system used by Counties to administer the following programs: CalFresh, California Food Assistance Program, California Work Opportunity and Responsibility to Kids Program, Cash Assistance Program for Immigrants, Entrant Cash Assistance, Refugee Cash Assistance, Foster Care, Kinship Guardianship Assistance Program, Federal Guardianship Assistance Program, General Assistance/General Relief, and Trafficking and Crime Victims Assistance Program; and

WHEREAS, on November 12, 2019 the Consortium entered into the Medi-Cal Privacy and Security Agreement Number 19-87 ("DHCS PSA") with the California Department of Health Care Services ("DHCS"), attached hereto as *Exhibit 2*, which is incorporated herein by reference; and

WHEREAS, the purpose of the DHCS PSA is to ensure the privacy and security of PII received by the Consortium from DHCS while maintaining and operating the case management system used by Counties to administer the Medi-Cal program; and

WHEREAS, both the CDSS PSA and the DHCS PSA (collectively, the "PSAs") require that all Consortium Workers, including contractors, subcontractors, employees, vendors, and agents, comply with the terms of the PSAs; and

WHEREAS, as a contractor authorized by the Consortium and obligated under the Agreement to perform functions that require access to or use of PII, Contractor and Contractor's

employees, contractors, subcontractors and agents (collectively, "Contractor Employees") are Consortium Workers under the PSAs; and

WHEREAS, in order to comply with the requirements of the PSAs, the parties wish to modify the CALWIN IMPLEMENTATION SERVICES AGREEMENT to comport with and fulfill the privacy and security obligations imposed by the PSAs.

CalSAWS assets and information must be used in accordance with the terms and conditions of the CalSAWS contracts to appropriately protect such assets and information. This applies to all systems operated by the CalSAWS Joint Powers Authority (JPA) including the legacy C-IV, legacy CalWIN and LRS systems (hereafter collectively referred to as "CalSAWS Systems").

NOW, THEREFORE, in consideration of the foregoing Recitals and the mutual covenants and promises described herein, the parties agree as follows:

1. Privacy and Security Awareness Training.

- a. Initial Training. Contractor shall enforce compliance of the mandatory CalSAWS Security Awareness Training referenced below in section 7.c, to each new Contractor Employee within thirty (30) days of employment.
- b. Refresher Training. Contractor shall mandate that Contractor Employees take annual refresher training and must send a reminder of the privacy and security safeguards required under the PSAs and this Amendment Number One with at least three reminders.
- c. Records. Contractor shall obtain from each Contractor Employee a signed acknowledgement of completion of all trainings and reminders required under this Section 1. Contractor shall provide the Consortium with these training records at the end of each quarter.

2. Contractor Employee Discipline. Contractor shall follow documented sanction policies and procedures for Contractor Employees who fail to comply with privacy policies and procedures or any requirements imposed under the PSAs or this Amendment Number One. Such sanction policies and procedures shall include termination of employment where appropriate.

3. CalSAWS Program User Security and Acceptable Use Policy. Prior to a Contractor Employee accessing any PII and annually thereafter, Contractor shall require that Contractor Employee to complete the refresher training and formally acknowledge the **CalSAWS User Security and Acceptable Use Policy, attached hereto as *Exhibit 3*.**

4. Background Screening. Prior to a Contractor Employee accessing any PII, Contractor shall conduct a background screening of that Contractor Employee as required by the

Agreement. The background screening shall be commensurate with the risk and magnitude of harm that Contractor Employee could cause, with more stringent background screening for Contractor Employees authorized to bypass significant technical and operational security controls. Contractor shall provide the Consortium with confirmation of each Employee's background screening upon written request.

5. **Compliance with PSA Security Requirements.** Contractor shall comply with all applicable privacy and security requirements in the PSAs, including applicable physical security requirements found in Section V of each of the PSAs, applicable technical security requirements found in Section VI of each of the PSAs, , and applicable physical document security requirements found in Section IX of each of the PSAs.
6. **Ensure compliance with PSA provisions and Exhibits.** Contractor agrees to designate a Security Liaison to work with the Consortium. This Liaison is responsible for:
 - a. Maintaining an active list of Contractor users with access to the CalSAWS System, including development, test and production environments.
 - b. Coordinating compliance assessment tasks with the appropriate Contractor staff in a timely manner.
 - c. Reporting on compliance violations and overseeing Contractor workforce/staff in the prompt remediation of all violations of any provisions of this Agreement.
 - d. Contractor shall ensure that any agents, including a subcontractor, (if prior approval is obtained from CalSAWS) to whom they provide CalSAWS access to view data, agree in writing to the same requirements for privacy and security safeguards for confidential data that apply to Contractor with respect to this Agreement. Contractor must seek prior written approval of a subcontractor from CalSAWS before providing CalSAWS data to such subcontractor.
7. **Comply with all provisions of the current Information Exchange Agreement (IEA) between DHCS and the Social Security Administration (SSA), DHCS PSA Exhibit A, as applicable.** This IEA data sharing agreement establishes the terms, conditions, and safeguards under which SSA agrees to disclose information to DHCS to be used for administering Medicaid and other federally funded programs.
 - a. Comply with the following sections of Attachment 4 of the IEA, the “Electronic Information Exchange Security Requirements for State and Local Agencies Exchanging Electronic Information with SSA (TSSR)”.
The specific TSSR sections are 5.3 System Access Control, 5.5 Personally Identifiable Information, 5.8 Data and Communications Security, 5.10 Security Awareness Training and Employee Sanctions, and 5.11 Contractors of Electronic Information Exchange Partners, as applicable.

Contractor shall enforce compliance of participation by its staff in the mandatory **CalSAWS Security Awareness Training, attached hereto as *Exhibit 4*.**

Parts of this agreement may be updated periodically by CalSAWS, as required by program directives, oversight flow down requirements or changes in law or policy. Unless otherwise indicated, CalSAWS shall provide Contractor with copies of the updated documents without requiring an amendment to this Agreement and an acknowledgement of receipt will be required from Contractor. CalSAWS will maintain a record of updates and receipts. If Contractor cannot comply or if it would impact the Project or its fees, Contractor will communicate the same to CalSAWS and the parties shall negotiate such updates.

8. Upon request, Contractor must provide CalSAWS with a current list of Contractor employees and (sub)contractors, including job descriptions, with privileges to view and utilize SSA data in CalSAWS.
9. **Breach and Security Incident Notification.** Contractor shall adhere to security and confidential provisions outlined in this agreement for the protection of any information exchanged between Contractor and the CalSAWS System.
 - a. Contractor agrees to prompt reporting of any data breach or security incident following the **process outlined within the Agreement**.
 - b. Contractor agrees to assist CalSAWS in performing compliance assessments. These assessments may involve compliance review questionnaires, and/or review of Contractor books, and records.
 - c. Contractor agrees to promptly remedy all violations of any provision of this Agreement and certify the same to CalSAWS in writing, or to enter into a written remediation plan with CalSAWS containing deadlines for achieving compliance with the specific provisions of this Agreement.
10. **Indemnification.** Both CONTRACTOR and CONSORTIUM acknowledge that the Agreement between them provides CONSORTIUM with indemnity rights against CONTRACTOR as specified in Section 12.1 of the Agreement. CONTRACTOR and CONSORTIUM agree that the indemnification obligations imposed by Section 12.1 of the Agreement encompass any indemnification claims that CONSORTIUM may be entitled to under Section 12.1 of the Agreement arising from, or related to, any breach by Contractor of this Amendment Number One to the Agreement.

AMENDMENT NUMBER ONE

IN WITNESS WHEREOF, the CONSORTIUM has caused this Amendment Number One to the Agreement to be subscribed on behalf of the CONSORTIUM, and CONTRACTOR has caused this Amendment Number One to be subscribed on its behalf by its duly authorized officer, as indicated below.
