CalSAWS M&O RFP #01-2022 Announcement

November 20, 2023

To All Interested Vendors:

The CalSAWS Consortium announces the release of an update to BAFO #2.

Based on vendor input, please note the following clarifications and Price Proposal Schedule updates:

1. Bidders are instructed to submit BAFO #2 responses via email, similar to the BAFO #1 submissions.
2. Bidders do not need to submit revised Staffing Schedules (Attachments A13 and/or B13).
3. Bidders should not submit an Agreement Exceptions Attachment with the BAFO #2 submission.

As a reminder, as stated within the RFP, Section 6, Bidders should not alter Price Proposal Schedule formulas that allocate funds across State Fiscal Years (SFY), allocate annual percentage increases, or other fiscal allocation formulas. Bidders may make changes to subtotals or other summary formulas to maintain accuracy of the schedule(s).
