22.10.14	14-Oct-22	Defect	CA-251062	Batch		Electronic Signature Reminder batch created duplicate journal entries per each text message.	Electronic Signature Reminder batch creates a single journal entry per each text message.	
22.10.14	14-Oct-22	Defect	CA-249543	BenefitsCal		On the Case Link Request Search page, the second 'Search' button was touching the 'Search Results Summary' section header. There needed to be a small space between the button and header.	On the Case Link Request Search, a small space has been introduced between the second 'Search' button and the 'Search Results Summary' section header.	
22.10.14	14-Oct-22	Defect	CA-250663	BenefitsCal		With regards to editing/sending an 'e-message' within BenefitsCal, a validation was occurring when trying to update the status of the customer response of the action message.	With regards to editing/sending an 'e-message' within BenefitsCal, there is no longer any validation that occurs when trying to update the status of the customer response of the action message.	PRB0044387
22.10.14	14-Oct-22	Defect	CA-247620	BenefitsCal		With regards to the e-Application Summary page, there were a few fields that had missing page mapping(s).	With regards to the e-Application Summary page, the correct page mapping(s) have been added to the appropriate fields.	PRB0043888
22.10.14	14-Oct-22	Defect	CA-250845	CalHEERS		When running Manual EDBC's, the system erroneously sent Dispositions for MAGI Determinations that have not been Reviewed, which would mark them Complete. This caused errors for subsequent EDBC's.	Manual EDBC's no longer pick up MAGI Determinations that have not been reviewed. The Determinations that have already been impacted are marked as Suppressed on top of Complete status. Users may need to request new determinations as a replacement for the Suppressed ones.	PRB0044417
22.10.14	14-Oct-22	Defect	CA-250139	CalHEERS		When a Modified Adjusted Gross Income (MAGI) Request failed to generate during a batch run, it was ignored and not reported anywhere.	The failed Modified Adjusted Gross Income (MAGI) Requests are now being registered as 'Skipped' with the reason of 'Technical Error'.	
22.10.14	14-Oct-22	Defect	CA-251118	CalHEERS		The latest status for some recent CalHEERS transactions were appearing incorrectly on the MAGI Referral Search and MAGI Determination List pages.	The latest status for the impacted records consistently appears on all pages.	
22.10.14	14-Oct-22	Defect	CA-249602	Contact Center		The 'Agent List' panel on the right side of the Enhanced Contact Control Panel (ECCP) page had occasionally displayed the green agent 'Ready' circle status as an elongated oval.	The 'Agent List' panel on the right side of the Enhanced Contact Control Panel (ECCP) page no longer displays the status circle as an oval.	
22.10.14	14-Oct-22	Defect	CA-249584	Contact Center		With regards to the CalSAWS online application, the users were unable to listen to and download the Enhanced Call Control Panel (eCCP) Initiated Telephonic Signature files.	With regards to the CalSAWS online application, the users are now able to listen to and download the Enhanced Call Control Panel (eCCP) Initiated Telephonic Signature files.	
22.10.14	14-Oct-22	Defect	CA-250736	Fiscal		The Auxiliary Authorization Pay Code was not saving when the worker creates an Auxiliary authorization record.	The Auxiliary Authorization Pay Code saves when the worker creates an Auxiliary authorization record.	PRB0044400
22.10.14	14-Oct-22	Defect	CA-251030	Forms		An error (UEID) had occurred when generating the 'TNB 4 Recert Packet' form.	An error (UEID) no longer occurs when generating the 'TNB 4 Recert Packet' form.	
22.10.14	14-Oct-22	Defect	CA-250826	Forms		The 'report month' field was not populating in the threshold language on the CSF 141 form when the form was being generated in the threshold language.	The 'report month' field is now being populated in the threshold language on the CSF 141 form when the form is being generated in the threshold language.	PRB0044411

Release #	Release Date	Item Type	Item Number	Functional Area	Programs Impacted	Original Behavior	New Behavior	Ticket Number
22.10.14	14-Oct-22	Defect	CA-251082	Forms		When a user attempted to run EDBC and tried to authorize results, the system was throwing an error (UEID).	When a user attempts to run EDBC and tries to authorize results, the system is no longer throwing an error (UEID).	PRB0044455
22.10.14	14-Oct-22	Defect	CA-250915	Forms		With regards to the CW 2.1Q form, there was a cosmetic issue that needed to be fixed. (Instead of 'spouse', it had 'spose' printed on the form)	With regards to the CW 2.1Q form, there is no longer any cosmetic issue because it is now fixed.	PRB0044427
22.10.14	14-Oct-22	Defect	CA-250536	Forms		There had been a case with CalFresh (CF) (Semi-Annual Reporting Annually (SARA) and a CalWORKs (CW) RE packet that was due in August 2022. CalSAWS generated the CW RE packet but did not generate a CF SAR 7.	With regards to the case with a CalFresh (CF) (Semi-Annual Reporting Annually (SARA) and a CalWORKs (CW) RE packet due in August 2022, both the CW RE packet and the CF SAR 7 have been generated.	PRB0044369
22.10.14	14-Oct-22	Defect	CA-250941	Interfaces		Special characters (á, ñ) were omitted in the following Spanish one-time CalWIN text: "CalSAWS: Los textos de CalWIN sobre su caso ahora serán enviados desde CalSAWS. Preguntas? Visite https://www.calsaws.org/thlp o llame al 844-859-2100".	Special characters (á, ñ) are now being sent in the following Spanish one-time CalWIN text: "CalSAWS: Los textos de CalWIN sobre su caso ahora serán enviados desde CalSAWS. ¿Preguntas? Visite https://www.calsaws.org/thlp o llame al 844-859-2100".	
22.10.14	14-Oct-22	Defect	CA-250827	NOAs	CalWORKs	Spanish NOAs were causing errors (null pointers) when a budget was added.	Spanish NOAs no longer cause errors (null pointers) when a budget has been added.	PRB0044412
22.10.14	14-Oct-22	Defect	CA-250825	NOAs		With regards to the NOA associated to the CalFresh discontinued unaided person, they were previously denied/discontinued and a NOA was still being generated.	The verification NOA is now only being triggered for the people listed in the EDBC run.	PRB0044409
22.10.14	14-Oct-22	Defect	CA-251184	Online		Clearance Tasks were not consistently routing to an Application Registration Task Bank when one existed for the office of the worker logging the Application.	Clearance Tasks are now consistently routing to an Application Registration Task Bank when one exists for the office of the worker logging the Application.	PRB0044468
22.10.14	14-Oct-22	Defect	CA-249724	Online		Selecting the 'Close' button on the Action Detail page caused a form resubmission error within the browser.	Selecting the 'Close' button on the Action Detail page returns the user to the previous screen.	
22.10.14	14-Oct-22	Defect	CA-251004	Online		When saving a Reception Log visit as 'No Response', sometimes the Lobby Monitor message corresponding to the visit was not being cleared out.	The Lobby Monitor message is now being cleared out appropriately.	
22.10.14	14-Oct-22	Defect	CA-251071	Online		The New Person Search results were not being displayed when linking the e-application to a case.	The New Person Search results are now being displayed when linking the e-application to a case.	PRB0044451
22.10.14	14-Oct-22	Defect	CA-250890	Online		With regards to the following pages, the e-data section was clearing out when a user clicked on some specified buttons on the page: 'Other Program Assistance - View Verification Button', 'Pregnancy - View Verification Button', 'Purchase and Prepare - View Change Reason', 'Relationship - View Verification', 'Residency - View Verification, View Change Reason', 'Vital Stats - View Verification', 'School Attend - View Verification, View Dates, Add Course Details', 'School Attendance Status Detail - View Verification', and 'Special Need - View Verification'.	With regards to the following pages, the e-data section is no longer being cleared out when a user clicks on some specified buttons on the page: 'Other Program Assistance - View Verification Button', 'Pregnancy - View Verification Button', 'Purchase and Prepare - View Change Reason', 'Relationship - View Verification', 'Residency - View Verification, View Change Reason', 'Vital Stats - View Verification', 'School Attend - View Verification, View Dates, Add Course Details', 'School Attendance Status Detail - View Verification', and 'Special Need - View Verification'.	
22.10.13	13-Oct-22	Defect	CA-251023	Batch		(Data Change Request): Participant was automatically placed by batch as "out of the home" due to missing probation end-date.	Data Change Run Date: 10/13/2022 Probation end-date has been updated in internal table. Household status needs to be manually updated to reflect participants current status.	PRB0044450
