

Release #	Release Date	Item Type	Item Number	Functional Area	Programs Impacted	Original Behavior	New Behavior	Ticket Number
22.10.18	18-Oct-22	SCR	CA-249663	Foms	CalWORKs	CalSAWS did not have the notice 'M40-181F (7/22)-No Change at Redetermination' in the Template Repository.	The 'M40-181F (7/22)-No Change at Redetermination' has been added to the Template repository (M40-181F_NA200 for Annual Reporting Child Only (ARCO) cases and M40-181_NA1239 for SAR). The following languages are now included: English, Spanish, Arabic, Armenian, Cambodian, Chinese, Farsi, Hmong, Korean, Lao, Russian, Tagalog, and Vietnamese. The following NOAs were updated to the latest state version: NA 200 (7/21) and NA 1239 SAR (8/21).	
22.10.18	18-Oct-22	Defect	CA-250719	Eligibility	CalFresh	CalFresh EDBC's that failed for 'Over Income' that were ran on the same month (in which an Emergency Allotment or Disaster Supplement were issued) did not get an 'Overpayment'.	CalFresh EDBC's that fail for 'Over Income' that are ran on the same month (in which an Emergency Allotment or Disaster Supplement were issued) are now getting an 'Overpayment'.	PR80044398
22.10.18	18-Oct-22	Defect	CA-250430	Eligibility	CalFresh	The 'Processing Delay Reason' had inconsistently been showing up for the CalFresh (CF) EDBC that was processed 30 days after the application date. In addition, the 'Processing Delay Reason' was only being shown if the correct EDBC was being displayed as the first record on the EDBC List page. The 'Processing Delay Reason' was also showing up after saving EDBC with a blank answer. The prompt was also being displayed for 'Read Only' EDBC.	The 'Processing Delay Reason' is now showing up correctly regardless of the order on how the EDBC is being displayed on the EDBC List page. The 'Processing Delay Reason' is no longer being displayed as blank anymore after saving EDBC and does not prompt the user if the EDBC is 'Read Only'.	PR80044344
22.10.18	18-Oct-22	Defect	CA-250054	Eligibility	CalFresh	An error (UEID) was being thrown if the EDBC had the result of 'N' and the program person had a Work Registration record due to the person incorrectly being filtered out when evaluating if a record already existed.	The program person is now being properly evaluated for all EDBC results when authorizing.	PR80044282
22.10.18	18-Oct-22	Defect	CA-250085	Fiscal	Foster Care	The 'Edit' and 'Void' buttons were visible on the General Ledger Detail page for unauthorized users.	The 'Edit' and 'Void' buttons are no longer visible on the General Ledger Detail page for unauthorized users.	
22.10.18	18-Oct-22	Defect	CA-250535	Fiscal	CalWORKs	The reactivation of 'Cash Expenditures' needed to not automatically work upon activating an EBT account	The reactivation of 'Cash Expenditures' now automatically works when activating an EBT account.	
22.10.18	18-Oct-22	Defect	CA-250141	Fiscal		The console error message of the Homeless Management Information System (HMIS) reader job was displaying incorrect information when the inbound file had incorrect header information.	The reader job log of the Homeless Management Information System (HMIS) is now displaying the correct details when logging an error message.	
22.10.18	18-Oct-22	Defect	CA-250429	Fiscal		An error (UEID) was being thrown when a user had attempted to open the Recovery Account Automatic Assignment page.	The user is now able to open the Recovery Account Automatic Assignment page, add the worker, and assign the rules.	PR80044343
22.10.18	18-Oct-22	Defect	CA-250064	Fiscal		With regards to the Payment Request Detail page, when the user clicked the 'Edit' button, the Payment Request was throwing an error (UEID).	With regards to the Payment Request Detail page, when the user clicks the 'Edit' button, the Payment Request is no longer throwing an error (UEID).	PR80044284
22.10.18	18-Oct-22	Defect	CA-250706	Foms		An error (UEID) occurred when the Medi-Cal (MC) 13 was generated for a 'Minor' person in the case.	An error (UEID) no longer occurs when the Medi-Cal (MC) 13 is being generated for a 'Minor' person in the case.	PR80044345
22.10.18	18-Oct-22	Defect	CA-250475	Foms		The 'Variable Population' for a prorated foster care approval was not being populated.	The 'Variable Population' for a prorated foster care approval is now being populated.	PR80044352
22.10.18	18-Oct-22	Defect	CA-250460	Foms		With regards to the GEN_201 form, it needed a cosmetic change because it was allowing the worker to save the "gross pay amounts from" date but the date entered did not stay there after the cursor moved to the other place even though the value was actually saved. When a user opened the GEN 201 form via the Distributed Document page, the dates were there.	The GEN201 form is now corrected.	PR80044348
22.10.18	18-Oct-22	Defect	CA-250058	Foms		When a user had clicked and/or navigated through the following sequence of pages, an error (UEID) occurred: client correspondence -> Templates -> Template repository -> PM 357 -> error (UEID).	The PM 357 form is now able to be generated without an error (UEID) occurring.	PR80044283
22.10.18	18-Oct-22	Defect	CA-248650	Foms		With regards to the Welfare To Work (WTW) 6010 form, there was a cosmetic issue with regards to the Spanish version/language.	The Welfare To Work (WTW) 6010 form is now corrected.	PR80044049

22.10.18	18-Oct-22	Defect	CA-249952	NOAs	CalFresh	There were other 'Approval NOAs' that had been generated along side the restoration NOA. The system needed to not generate the CalFresh (CF) 377.1 approval when CalFresh was restored.	When a 'Restoration NOA' is being generated, all other 'Approval NOAs' are now suppressed.	PR80044268
22.10.18	18-Oct-22	Defect	CA-250284	NOAs	CalFresh	With regards to the NOA 'CF - BC - Sponsored Non-Citizen Opt Out' (English NOA and Spanish NOA), when the NOAs were consolidated for CalFresh, the regulations for both reasons that triggered were not concatenated in the threshold language(s).	With regards to the NOAs 'CF - BC - Sponsored Non-Citizen Opt Out' (English NOA and Spanish NOA), when NOA's are consolidated for CalFresh, the regulations for both reasons that triggered are concatenated in threshold language(s).	PR80044310
22.10.18	18-Oct-22	Defect	CA-250539	Online		In a "MyTasksView" Security county specific profile, the user was able to see the "Task Search" tab when the user clicked the "Tasks" link at the top of the home page.	In a "MyTasksView" Security county specific profile, the user is no longer able to see the "Task Search" tab when the user clicked the "Tasks" link at the top of the home page.	
22.10.18	18-Oct-22	Defect	CA-250569	Online		The 'Category' field for system tasks was showing as blank on the Task Type Detail page while in view mode.	The 'Category' field for system tasks is now being shown on the Task Type Detail page while in view mode.	PR80044463
22.10.18	18-Oct-22	Defect	CA-249479	Online		The 'Task Search Export' did not correctly export when the 'Office Name' contained special characters such as '&'.	The 'Task Search Export' now correctly exports when the 'Office Name' contains special characters such as '&'.	PR80044183
22.10.18	18-Oct-22	Defect	CA-249983	Online		With regards to the following pages, the e-data section was clearing out when a user clicked on some specified buttons on the page: 'Citizenship Detail - Change Reason View Button & Verification View Button', 'Employment Detail - Verification - View Button & Actual Hours Section View Button', 'Income Amount Detail - Verification View Button', 'Individual Demographics - Verification View Button & CIN Search Button & SSN Section', and 'Other Health Care - Company Name Select Button & Verification View Button'.	The e-data is no longer being cleared out when a user clicks on the specified buttons on the following pages: 'Citizenship Detail - Change Reason View Button & Verification View Button', 'Employment Detail - Verification - View Button & Actual Hours Section View Button', 'Income Amount Detail - Verification View Button', 'Individual Demographics - Verification View Button & CIN Search Button & SSN Section', and 'Other Health Care - Company Name Select Button & Verification View Button'.	
22.10.18	18-Oct-22	Defect	CA-250468	Online		An error (JUEID) was being thrown when there were more than 1000 results for the search on the Resource Request Search page.	The page now displays a message instead of an error (JUEID) when the results are more than the specified maximum number.	
22.10.18	18-Oct-22	Defect	CA-250478	Online		The sections that had been displayed on the CalSAWS homepage were incorrectly being shown with regards to the 'Country' without the 'e-MessagesSearchView' security right.	The sections that are being displayed on the CalSAWS homepage are now correctly being shown with regards to the 'Country' without the 'e-MessagesSearchView' security right.	
22.10.18	18-Oct-22	Defect	CA-250384	Online		Users were able to see the 'Referrals' from other counties on the Referral Assignment page when searching without specifying an office ID.	Users are no longer able to see 'Referrals' from other counties on the Referral Assignment page when searching without specifying an office ID.
