22.11.01	11-Nov-22	Defect	CA-252043	Conversion	CalLearn, Welfare-to-Work/Gain	All program assignments on employment services programs in former CalWIN counties were set to the default generic county worker.	The latest program assignment on active employment service programs for former CalWIN counties has been restored to the worker assignment from CalWIN.	
22.11.01	11-Nov-22	Defect	CA-252024	Fiscal		The General Assistance (GA)/General Relief (GR) Automated Solution program time tracks were converted in from CalWIN. However, in CalSAWS the tracks are created on the first day of the benefit month. As a result, the November 2022 time tracks needed to be created by the system during batch on 11/01/2022, and the tracks for December needed to be created by the system by batch on the night of 12/01/2022.	The General Assistance (GA)/General Relief (GR) Automated Solution program time tracks for the months of 11/2022 and 12/2022 are now removed.
