22.11.08	8-Nov-22	Defect	CA-252100	Conversion	CalFresh, CalWORKs, Medi-Cal/MSP/CMSP	On the Application Registration Summary page, there were Application Registration converted records that had been in "Completed" status, but did not have the corresponding program application details converted on the "linked" case. The workers were not able to process these Application Registration records due to the "Completed" status.	On the Application Registration Summary page, the status on the application(s) is now 'In Process'.	PR80044652
