<p>Description:</p>	<p><b>Purpose</b> The purpose of this CIT is to provide CalSAWS counties an alternate procedure of denying erroneously granted Postpartum benefits to a pregnant Medi-Cal Minor Consent applicant or beneficiary.</p> <p><b>Background</b> Under the provisions of the American Rescue Plan Act (ARPA), SCR <a href="#">CA-212145</a> was released in 22.02 and protects Pregnant/Postpartum individuals if they are losing coverage for a non-allowable reason during the pregnancy or the 365-day postpartum period effective for the 04/2022 benefit month.</p> <p>Per <a href="#">MEDIL I 21-13</a>, the minor consent program does not include postpartum services, therefore pregnant minor consent applicants/beneficiaries are excluded and are not covered under ARPA. However, CalSAWS EDBC rules is 'protecting' the pregnant individual and incorrectly granting an aid code 76.</p> <p>SCR <a href="#">CA-245485</a> will update Medi-Cal EDBC Postpartum logic to not grant aid code 76 to Minor Consent individuals while the individual is pregnant or in the postpartum period under one of the following Requested Medi-Cal Types:</p> <ul style="list-style-type: none"> <li>• Minor Consent (12-21) FP/MntHlth</li> <li>• Minor Consent (12-21) FP/STD/D&amp;A</li> <li>• Minor Consent (&lt;12) FP/STD</li> </ul>
---------------------	--

- Minor Consent (<21) Pregnancy

**Additional Information**

A one-time list of Minor Consent Individuals who were granted aid code 76 post implementation of [CA-212145](#) will be created with SCR CA-245485 in release 23.01 (January 2023). A CIT for that list will be distributed closer to the 23.01 release date.

**County Action**
