Description:	<p>Purpose The purpose of this CIT is to provide an update on the decommissioning of the C-IV Read-Only environment that is being accessed by C-IV county users.</p> <p>Background With the migration of the C-IV Counties into CalSAWS, C-IV users were provided access to the C-IV Read-Only environment for a period of one year post migration. Due to security compliance, the C-IV Read-Only environment will be decommissioned on October 31, 2022.</p> <p>C-IV Read-Only Environment Decommission</p> <p>Post October 31, 2022, users will be unable to access the C-IV Read-Only environment (https://civ-readonly.calsaws.net/).</p> <p>Per SCR CA-244068, C4Y data tables, including the e-signature tables, have been copied into CalSAWS. The list of tables copied over to CalSAWS is documented in the SCR. If a county needs to see e-signature information for an e-application, please use the existing AdHoc request process (CIT 0374-21 CalSAWS Ad-Hoc Report Request Process). This is an interim process until the below SCR is implemented.</p>
--------------	--

	<p>CA-247516 will add online pages to CalSAWS so that the authorized workers can view the e-signature data. This change is targeted for CalSAWS release 23.03.</p> <p>County Action - None</p> <p>If you have questions on this CIT, please reach out to the Primary Contact and cc your Regional Managers.</p>
