For the benefit months from March 2020-March 2021, all CF and TCF households not already at the maximum allowable allotment based on household size are eligible to receive a CF emergency allotment.

Example: A household of two (2) received \$150 in CalFresh benefits in April 2020 then received a \$205 CF emergency allotment on May 9<sup>th</sup> to bring them up to the maximum allotment amount of \$355 for two (2) people. CF households that previously received the maximum allowable allotment based on household size are not eligible to receive CF emergency allotments.

Effective the April 2021 benefit month and moving forward, all CalFresh households will receive a minimum emergency allotment of \$95 per month. This new minimum emergency allotment applies regardless of household size:

- Households eligible to receive the maximum allowable allotment based on household size are now eligible to receive an emergency allotment of \$95 per month.
- Households who are not eligible to receive the maximum allowable allotment based on household size, but whose emergency allotment is less than \$95 per month under the previous model, will receive additional CalFresh benefits to raise their emergency allotment to the new \$95 minimum.
- Households who were eligible to receive more than \$95 per month under the previous model will continue to receive that amount.

SCR CA-249999 CalFresh Emergency Allotments for September 2022 was implemented on 10/15/2022. This SCR issued emergency CalFresh benefits to CalFresh (CF) Households under the new \$95 minimum rules for the July, August, and September 2022 benefit months.

#### **Additional Information**

CalSAWS implemented an automated process to issue the CF emergency allotments for eligible CF and TCF households. Previously, the CF emergency allotments were issued as a 'Supplemental Disaster CalFresh' (Supp DCFP) benefit type on the household's EBT card. However, **with SCR CA-218299/CIV-107689 and moving forward, the emergency allotments will be issued as 'Emergency Allotment Food Benefits' (CF03) benefit type.**

An automated journal entry was added to all cases receiving a CF emergency allotment.

July, August, and September 2022 benefit months benefit month emergency allotments generated on October 15<sup>th</sup> are available to the recipient as of October 16<sup>th</sup>.

Users will be able to view these emergency allotments on the 'Issuance Detail' page as 'Emergency Allotment' in the Subcategory field; the allotments will also be visible on the 'CalFresh EDBC Summary' page. Since the CF emergency allotments are issued as an Emergency Allotment (CF03) benefit type, County users are not able to issue these emergency allotments through the system manually.

Cases that receive a Validation/Submission error can be found on the 'Issuance Exception Report' and will need to have action taken to avoid a duplicate error in the next run.

**NOTE: The next CF emergency allotment batch issuance will occur of Saturday, November 26, 2022.** This run will include the first emergency allotment issuance for
