22.12.15	15-Dec-22	SCR	CA-253595	Interfaces	CalFresh	DHCS provided incorrect SSI and SSP Paid amounts in the 'CalFresh SSI Import' file. Consequently, the Other Program Assistance (OPA) page was updated with incorrect information as part of CA-243012.	The incorrect OPA records that were updated from CalFresh SSI/SSP COLA import have been reversed. A journal was also created, and the affected case have been run through regular Batch EDBC.	
22.12.15	15-Dec-22	SCR	CA-249594	Online	N/A	With regards to the Application Registration Summary page, there was no validation message was being displayed when users entered an incorrect format in the 'Email Address' field.	A validation message now displays when users enter an incorrect format on the Application Registration Summary page in the 'Email Address' field.	
22.12.15	15-Dec-22	SCR	CA-252502	Online	N/A	During the implementation of DDID 1526 (CA-207303) multiple counties (Fresno, Sacramento, San Diego, San Mateo) opted in to receive the customer appointment email. With regards to Santa Clara county, they were opted out to not receive any kind of emails.	With SCR CA-252502, the counties of Fresno, Sacramento, San Diego, San Mateo, and Santa Clara are changing their previous status (OPT IN/OPT OUT status) with regards to receiving customer appointment emails. The counties of Fresno, Sacramento, San Diego, and San Mateo, have been updated to no longer receive e-mails in regard to the customer appointment (including appointment cancellation). Santa Clara county has been updated to receive e-mails from CalSAWS when there's a customer appointment along with the option to save to their calendar in addition to receiving emails for appointment cancellation.	
22.12.15	15-Dec-22	Defect	CA-253284	Conversion	AAP	Adoption Assistance Program (AAP) programs that used to have direct deposit payment preferences were changed to warrants due to missing direct deposit information. As a result, payments were being sent as warrants for converted cases.	Adoption Assistance Program (AAP) programs have been changed back to direct deposit with the corresponding account information added (allowing payments to be made correctly for converted cases).	PRB0044837
22.12.15	15-Dec-22	Defect	CA-252659	Conversion		There were some Other Health Care (OHC) expense records that had been missing.	The missing Other Health Care (OHC) expense records have been added.	PRB0044718
22.12.15	15-Dec-22	Defect	CA-252615	Fiscal		The 'Placer Monthly Warrants' were not being flipped to 'Paid' status by the nightly batch because these warrants had incorrect converted issue dates.	Any 'Paid Placer Monthly Warrants' that were sent to CalSAWS in the nightly batch have been manually flipped to 'Paid status'. These warrant's issue dates have also been corrected.	PRB0044701
22.12.15	15-Dec-22	Defect	CA-253361	Fiscal	Other	The General Relief (GR) overpayments were erroneously being counted twice in the EDBC previous potential calculations.	The General Relief (GR) overpayments are counted once in the EDBC previous potential calculations.	PRB0044849
22.12.15	15-Dec-22	Defect	CA-253165	Online		There was an error ("Form Error - Field is required. Please enter a value") that was being thrown on the Service Detail page. This validation message needed to only be displayed when any of the required fields were not filled in.	There is no longer any incorrectly displayed form error validation with regards to the Service Detail page.	PRB0044802
22.12.13	13-Dec-22	Defect	CA-253370	Fiscal		(Data Change Request): Records were not sent on the November 2022 JVW month-end file to eCAPs.	Data Change Run Date: 12/13/2022 Skipped records are sent on the November 2022 JVW month-end file to eCAPs.	PRB0044936
22.12.13	13-Dec-22	Defect	CA-253198	Online		(Data Change Request): All 'Cal-Learn Program History' for a specific LA case didn't display on the Cal-Learn Status List page. Manually updating and saving changes to the program status of a Cal-Learn participant caused an error (UEID).	Data Change Run Date: 12/13/2022 All 'Cal-Learn Program History' for a specific LA case is now being displayed on the Cal-Learn Status List page. The user can successfully update and save changes to the program status of a Cal-Learn participant.	PRB0044850
